# GML800+ Counterbalance Floor Crane

**Range:** Materials Handling / Counterbalance Floor Crane

Our range of glass handling equipment is available to customers across the UK, from our own strategically placed depots enabling us to offer a national coverage.

## The Wienold GML800+ material lift has a class leading 800kg maximum lifting capacity.

Simple to transport, set-up and very easy to use. The electric drive versions raise and lower the load via remote controlled winch. Manufactured from high grade materials in Germany.

- Capacity 800kg
- Working height up to 7.94m
- Six large braked castors for ease of movement
- Remote control mast with variable speed control
- Compact working & transport position
- Dual safety brakes on the mast
- Low 5cm loading height
- Lateral outriggers
- Safe sensor-stop
- Lifting eye
- Exclusive to Hird

GML 800+ with Overhead Manipulator attachment
