Winlet 350

Dual Circuit Window & Glass Installation Robot

Range: Glass Vacuum Equipment / Glazing Robots / Winlet

Our range of glass handling equipment is available to customers across the UK, from our own strategically placed depots enabling us to offer a national coverage.

Winlet 350

The Winlet 350 robot revolutionises the installation of glass, with capacities of up to 350kg and overhead installation all within a compact design for work in confined areas.

Winlet

UK and Ireland
Distributor
