Power Rating	1300W / 240 / 110V
Weight	65kg

- ✓ Removes the toughest grime
- ✓ All machines are supplied with a scrubbing brush head
- ✓ Electric / corded

Floor Scrubber / Dryer 430mm

This nimble disk floor scrubber-dryer is small enough to clean congested spaces while providing a cleaning ability similar to larger machines. Great water removal helps minimise slip risk even in tight turns.

Product Code: 10830	Specs
Cleaning Width	430mm
Squeegee Width	695mm
Power	Battery
Tank Capacity Clean / Dirty	26l / 36l
Weight	136kg
Productivity	up to 1900m²/hr

- ✓ Compact and nimble
- ✓ Great cleaning ability
- ✓ Exceptional water removal
- ✓ Battery / cordless

SCRUBBER / DRYERS

Floor Scrubber / Dryer 500 - 700mm

Our high performance, proficient pedestrian floor scrubber drier is a revolutionary commercial cleaning machine for use in medium and large areas such as shopping centres and supermarkets as well as production and storage areas. With the addition of squeegee blades that have the ability to be used up to four times and its Aqua-Control-System, this machine helps reduce the negative impacts on the environment by minimising waste and cost. Simple and clearly laid out controls ensures that the machine is quickly mastered and easily maintained.

Product Code: 10830		Specs
Cleaning Width	510mm	700mm
Squeegee Width	760mm	950mm
Power	Battery	Battery
Tank Capacity Clean / Dirty	42l / 42l	72l / 74l
Weight	221kg	325kg
Productivity	up to 1700m²/hr	up to 3200m²/hr

- ✓ Compact and nimble
- ✓ Great cleaning ability
- ✓ Exceptional water removal
- ✓ Battery / cordless

Ride on Floor Scrubber / Dryers 530 - 800mm

Ride-on scrubber dryers provide a very efficient solution for cleaning large floor areas such as warehouses, factories or schools. Compact and easy to manoeuvre they are ideal for large commercial and industrial applications offering maximum operator comfort, a travel speed of up to 6km/h and onboard battery charging for extended run times. A hand-held vacuum for reaching those otherwise inaccessible areas is fitted along with an integrated headlight for cleaning in dimly lit rooms.

Product Code: 10840		Specs
Cleaning Width	533mm	800mm
Squeegee Width	760mm	950mm
Power	24V Battery	24V Battery
Weight	443kg	471kg
Tank Capacity Clean / Dirty	75l / 75l	110l / 110l

- ✓ Ideal for large floor areas
- ✓ Compact and easy to manoeuvre
- ✓ Up to 6km/h
- ✓ Long run times
- ✓ Battery / cordless

Ride on Floor Scrubber / Dryer 1100mm

This Ride on scrubber dryer enables operators to undertake larger tasks with ease. Ideal for airports, large industrial production halls or large logistics facilities, this scrubber cab handle gradients up to 15% such as underground car parks. Comfortable with excellent visibility ensures greater productivity while cleaning the harshest environments in a single pass.

Product Code: 10840		Specs
Cleaning Width	1080mm	
Squeegee Width	1260mm	
Power	Battery	
Tank Capacity Clean / Dirty	175l / 175l	
Weight	1015kg	
Dimensions	L 1520 x W 1000 x H 1270mm	
Productivity	up to 7560m²/hr	

- ✓ 90° steering lock provides a minimum turning circle in confined areas
- ✓ 4.3inch colour display informs user of battery status and tank levels
- ✓ Cleans on inclines up to 15%
- ✓ Easy to drive & operate
- ✓ Battery / cordless
